## WrapCAST Film

# Rise Above The Competition With..

Briteline®  
WrapCAST Film

Briteline WrapCAST is designed to make the colors of your graphics rich and vibrant and your installation quick and painless. The technology used to create an adhesive with a low initial tack makes repositioning your panels a breeze. The adhesive is activated by heat and pressure and will strengthen for up to 24 hours. Briteline WrapCAST is recommend for full vehicle wraps, box trucks and spot decals.
