

maxmetal™

MAXMETAL

The standard ACM product with a proven name and durability.

Overall thickness: 3 mm
Aluminum skin: 0.15 mm/0.006"
Sides: 2 sides, pre-painted
Colors: white, black
Sizes: 4' x 8'

MM843MW
MM843MBK

MAXMETAL LITE

Thinner gauge aluminum skins for a more economical solution.

Overall thickness: 3 mm
Aluminum skin: 0.12 mm/0.005"
Sides: 2 sides, pre-painted
Colors: white
Sizes: 4' x 8', 4' x 10'

MM843MWLT
MM1043MWLT

MAXMETAL ONE

One-sided aluminum skin for one-sided projects.

Overall thickness: 3 mm
Aluminum skin: 0.15 mm/0.006"
Sides: 1 side pre-painted, 1 side bare
Colors: white
Sizes: 4' x 8'

MM843MW1S

MAXMETAL DP

Optimized for flatbed digital printing. Excellent ink adhesion.

Overall thickness: 3 mm
Aluminum skin: 0.15 mm/0.006"
Sides: 2 sides, pre-painted
Colors: white
Sizes: 4' x 8', 4' x 10', 5' x 10'

MM843MWDP
MM1043MW
MM1053MW

MAXMETAL HD

For heavy duty applications. Great for fabrication, i.e. bending.

Overall thickness: 3 mm
Aluminum skin: 0.30 mm/0.012"
Sides: 2 sides, pre-painted
Colors: white
Sizes: 4' x 8'

MM843MWH

MAXMETAL 6MM

When a thicker, more durable substrate is required.

Overall thickness: 6 mm
Aluminum skin: 0.21 mm/0.008"
Sides: 2 sides, pre-painted
Colors: white, black
Sizes: 4' x 8'

MM846MW
MM846MBK

MAXMETAL COLORS

Multiple options for those colorful applications.

Overall thickness: 3 mm
Aluminum skin: 0.15 mm/0.006"
Sides: 2 sides, pre-painted
Colors: red/yellow, blue/green
Sizes: 4' x 8'

MM843MRY
MM843MBG

MAXMETAL DECOR

Decorative finishes for sophisticated interior applications.

Overall thickness: 3 mm
Aluminum skin: 0.15 mm/0.006"
Sides: finished side/white back side
Finish: brushed silver*, brushed gold, mirrored silver
Sizes: 4' x 8'

MM843MBS*
MM843MBG
MM843MMS

MAXMETAL ELEMENT

Magnetic receptive surface optimized for flatbed digital printing.

Overall thickness: 3 mm
Steel skin: 0.25 mm/0.01"
Sides: 2 sides, pre-painted galvanized steel
Colors: white
Sizes: 4' x 8'

MM843MWEL

Whether you need a heavy duty aluminum composite panel ready for digital printing or a lightweight, low-cost panel for a temporary sign, Maxmetal has you covered.
