VANCOUVER INFORMATION & SANITIZER STATION

- Freestanding Displays consist of a heavy duty aluminum pole with four mounting channels, and a stable steel base with concealed rubber feet that grip and protect floor surface
- Overall height is 76"
- Aluminum poster frames have a snap frame profile design for easy changing of posters, and include a clear protective poster cover

Now, more than ever, keeping communication and well-being a priority is crucial.

Hospitals, airports, and hardware stores – in fact every public space – is required to keep information and safety at the forefront. With our information & sanitization station in stock and ready to ship you can be set up in no time.
